ABOUT US

Established in 1982 by a veterinarian, **Éditions Michel Quintin** initially focused on publishing popular science books about animals, nature, and the environment.

Thanks to the dedication of a savvy, dynamic team with an eye for daring, original ideas, the publishing house list later grew to include all genres of novels, picture books and comic books in addition to educational and reference guides.

Today, it's one of the leading contributors to young adult literature and ranks as the 4th largest publisher of franco-phone comic books and graphic novels in Canada.

These efforts to publish an increasing variety of quality books have resulted in prestigious awards and a loyal following of young and adult readers. Around fifty new titles are added to the in-house catalogue every year, which now consists of **1,000 publications**, including 300 digital books, several bestsellers and international editions.

Rose Turner : Un peu ! 😊

Mikaël Jacobsen : Tu fais koi, là ? T à l'école ?

Oh zut ! Je n'avais pas du tout prévu ça. Si je lui dis que j'étudie au Collège de Boisjoli, il va vouloir qu'on se rencontre. Je ne peux pas non plus raconter que je suis inscrite à une autre école de la région, au cas où il connaîtrait des gens qui y vont. Quelques minutes s'écoulent. P. Moutier continue à nous endormir avec l'analyse grammaticale de la phrase.

THE TRIPLE LIFE
OF CHARLIE

DESCRIPTION

My name is Charlie Paradis-Mendez and I love playing the drums. I say play, but for me, it's much more than a game: it's my passion. My dream has always been to play in a band. This summer, when I decided to move to the Magdalen Islands with my father, I was not expecting an opportunity to finally present itself.

As soon as I got there, I learned that The Rogues, a band from a neighbouring village, was looking for a new drummer. But there is just a small catch. The group only accepts boys for an audition. Sexist much?

Whatever! I'm going to pose as one of the boys during the tryout. Only after they see what I'm capable of and accept me into the band will I tell them the truth.

Alain M. Bergeron
AUTHOR

A prolific author, Alain has over 300 children's books to his name. In 1996, he partnered with Sampar, the start of a lifelong friendship and an invaluable collaboration that produced over a hundred works. **Did You Know?** (*Savais-tu?*) and **Billy Stuart** are just two of the many popular series they've created together.

Alain devotes himself exclusively to writing and to leading school workshops. His vivid writing and inexhaustible imagination have made him a fixture in children literature.

In 1990, he won his first literary award, quickly followed by numerous other nominations and prizes. His books have been translated around the world and are a monstrous success! The **Did You Know?** (*Savais-tu?*) series in particular has sold over 700,000 copies in Quebec alone.

Billy Stuart

Sampar
AUTHOR, ILLUSTRATOR

Illustrator, cartoonist, and author, Samuel Parent, better known by the pen name Sampar, has been a standout in the publishing world for several years now. A self-taught, multi-talented illustrator, he possesses a lively imagination that draws us into worlds that are by turns moving, wacky, and sometimes even mythical.

His career as an illustrator hit its stride at the humour magazine *Safarir*, earning him widespread acclaim in Quebec, the United States and Australia. For the past few years, he's illustrated the **Did You Know?** (*Savais-tu?*), **Billy Stuart**, and **Les Zintrépides** series, which are hugely popular in Quebec and have been translated into several languages.

In 2013, Sampar published his first solo comic book, **Guiby**. The adventures of this super-baby character made him a finalist for the 2014 Bédéllys Young Adult and the 2014 Joe Shuster awards.

Maxim Cyr
AUTHOR, ILLUSTRATOR

Montreal-based illustrator Maxim Cyr partners with Karine Gottot on the original series **The Dragoyles** (*Les dragouilles*), a comic book guide to major cities around the world. The series has earned the duo several Canadian literary awards, including the Tamarack Express and the Hackmatack awards. It is also one of the great successes of contemporary Quebec children's books, with over 325,000 copies sold in Quebec. **The Dragoyles** (*Les dragouilles*) is also available in francophone Europe, Turkey, China and Mexico and is well on its way to conquering the rest of the world!

In 2012, Maxim won the Hachette Canada comic book contest and in 2015, he released **Victor et Igor**, a new comic book humour series starring two eccentric robots.

Over the years, Maxim has honed a signature style that is at once fresh and contemporary. His clean, rounded lines and careful choice of colours are a hallmark of his work. He devotes a lot of time to creating characters that come vividly and endearingly to life under his pen.

Karine Gottot
AUTHOR

Karine Gottot has a teaching degree in high-school geography and history. Over the past 15 years, she's worked closely with young adults as an activity leader, teacher, and tutor. That experience now serves her well as an author of young adult literature. Since 2010, she has partnered with Maxim Cyr on **The Dragoyles** (*Les dragouilles*) series, which combines wacky humour with informational portraits of major cities. *Les dragouilles* quickly became a hit with children and earned numerous awards.

In 2014, she teamed up with illustrator Mathieu Lampron to publish the first volume of the docufiction series, **The Mutamatak**.

The Little Dragoyles

Alexandra Larochelle
AUTHOR

First published at the age of ten, **Alexandra Larochelle**'s first novel was an instant success, spearheading a 6-title series that sold over 130,000 copies. More than fifteen years after the publication of her first novel, Alexandra is now partnering with Louis Patalano to write **First Date** (*Premier rendez-vous*), their first series published at Éditions Michel Quintin. Alexandra and Louis have an ongoing collaboration. Together, they founded the scripting company DragonBox Conception, where Alexandra works as a creative director for television shows and video games. In addition to her novelist and scripting vocations, she also writes for multiple projects in the fields of technology, publishing and advertising.

Élodie Tirel
AUTHOR

Élodie Tirel is a prolific French author, a Tolkien fan, and a YA literature enthusiast. Her first fantasy novel, *The heirs of Stiryx* (*Les héritiers du Stiryx*), won the Merlin Award in 2008.

Élodie Tirel has since discovered her passion for writing. Her unfailing imagination teems with fantastic stories and her laptop is always at hand. She's had around thirty works published, including **Luna, the Moon Elf** (*Luna l'elfe de lune*), which was a success in both France and Quebec. It has sold over 200,000 copies and was also released as a graphic novel and an audio book.

Yvan DeMuy
AUTHOR

Yvan DeMuy has worked as a special educator of children with learning disabilities for over 20 years.

He began writing in 1997. After completing several young adult novels, Yvan turned his creative talent to television writing as well. He's been a screenwriter for the young adult web series *Juliette en direct* (*Juliet Live*) — a triple-Gemini award winner — as well as for the *Yamaska* and *Dis-mois tout* (*Tell Me Everything*) web capsules.

In 2013, in addition to his screenwriting projects, the author began collaborating with Jean Morin on the illustrated fiction series **The Burdens of a Lightheart** (*Les soucis d'un Sansoucy*). No burdens weigh Yvan down, however, now that success is inevitable: the series is currently available in France and Bulgaria, and will soon be published in Turkey.

Jean Morin
AUTHOR, ILLUSTRATOR

In 1987, Jean Morin was part of the circle of collaborators behind the launch of *Safarir* magazine. He drew illustrations for the magazine for nearly 10 years. He has since worked as an illustrator for educational and young adult publishers as well as for advertising agencies. He loves his work, which allows him to explore different facets of his art, from humour and short story illustrations to advertising-style infographics, in both black-and-white and colour, for comic books and graphic novels. A lifelong creative, Jean is always brimming with ideas for new projects. In 2013, he partnered with Yvan DeMuy to produce the humour series **The Burdens of a Lightheart** (*Les soucis d'un Sansoucy*), which is currently being translated and adapted in three other countries.
