Je fixe les mots quelques secondes. Mon cœur se met à battre plus vite. Presque aussitôt, je reçois un deuxième courriel m'avisant de l'arrivée d'un message privé.

Mikaël Jacobsen: On ce connaît?

Trois mots, deux fautes. J'espère qu'il se force davantage dans ses compositions écrites. Je m'arme de courage et vais sur Facebook pour pouvoir lui répondre.

Rose Turner: Pas encore. Je suis nouvelle dans le coin. On demeure à l'Auberge Boisjoli, moi et mes parents, en attendant de trouver une maison convenable.

Je relis mon message et le trouve froid. J'ajoute un bonhomme sourie.

Mikaël Jacobsen: Comment t'as eu mon nom?

Rosalie l'invisible

Rose Turner: Quelqu'un à l'hôtel m'a dit que tu fais un party d'Halloween ce soir. Comme je ne connais personne, je me suis dit que je commencerais par toi.

Mikaël Jacobsen: C sa, tu veux m'utiliser pour te faire des amis?

Rose Turner: Un peu!

Mikaël Jacobsen: Tu fais koi, là? T à l'école?

Oh zut! Je n'avais pas du tout prévu ça. Si je lui dis que j'étudie au Collège de Boisjoli, il va vouloir qu'on se rencontre. Je ne peux pas non plus raconter que je suis inscrite à une autre école de la région, au cas où il connaîtrait des gens qui y vont. Quelques minutes s'écoulaient. P. My name is Charlie Paradis-Mendez and I love playing the drums. I say play, but for me, it's much more than a game: it's my passion. My dream has always been to play in a band. This summer, when I decided to move to the Magdalen Islands with my father, I was not expecting an opportunity to finally present itself.

As soon as I got there, I learned that The Rogues, a band from a neighbouring village, was looking for a new drummer. But there is just a small catch. The group only accepts boys for an audition. Sexist much?

Whatever! I'm going to pose as one of the boys during the tryout. Only after they see what I'm capable of and accept me into the band will I tell them the truth.

A self-taught, multi-talented illustrator, he possesses a lively imagination that draws us into worlds that are by turns moving, wacky, and sometimes even mythical.

His career as an illustrator hit its stride at the humour magazine *Safarir*, earning him widespread acclaim in Quebec, the United States and Australia. For the past few years, he's illustrated the *Did You Know?* (*Savais-tu?*), *Billy Stuart*, and *Les Zintrépides* series, which are hugely popular in Quebec and have been translated into several languages.

In 2013, Sampar published his first solo comic book, *Guiby*. The adventures of this super-baby character made him a finalist for the 2014 Bédéllys Young Adult and the 2014 Joe Shuster awards.

Maxim Cyr

It is also one of the great successes of contemporary Quebec children's books, with over 325,000 copies sold in Quebec.

In 2012, Maxim won the Hachette Canada comic book contest and in 2015, he released *Victor et Igor*, a new comic book humour series starring two eccentric robots.
