## CARINE PAQUIN, AUTHOR

**Carine Paquin** is a mother of two children, author, elementary and high school theater teacher, in addition to having taught elementary school for ten years. She never misses an opportunity to entertain or go on stage to give literary presentation. The author has written over forty children's books and intends to write several more.

## MATHIEU BENOIT, ILLUSTRATOR

**Mathieu Benoit** studied graphic communication in Montreal and worked in print advertising. From 2005 to 2008, he was one of the leading heads of the group of comic strip authors Surpriz Comix, which published three collective albums and offered numerous animations across Quebec.

I'm  
a future  
superhero.

I'm  
very  
strong.

And I'll be  
even stronger  
when I'm  
older!

Do you know  
where  
superheroes  
learn to fight  
crime?

Come,  
I'll show  
you.

But you have  
**to promise**  
to keep this  
a secret.

No one  
must know  
where it is.

For our safety  
and that of  
the whole world!

It's here,  
at this  
school.

**SUPERHERO  
ACADEMY**

This is where  
**future** generations  
of superheroes  
are trained.

Although we have  
superpowers,  
we're **not immortal**.

We age  
like  
everyone  
else.

One day,  
we'll lose  
our hair.

One day,  
we'll lose  
our teeth.

One day,  
we won't hear  
very well.

And  
one day,  
we'll di...

Alright, Noah.  
Why don't we  
talk about  
something else?

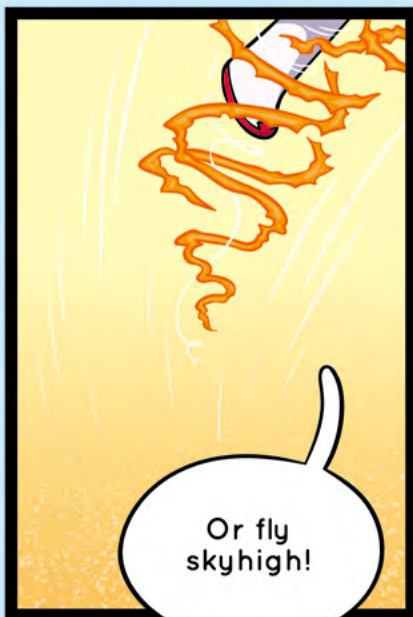

Hi, I'm  
Mila!

A future  
SuperTorpedo.

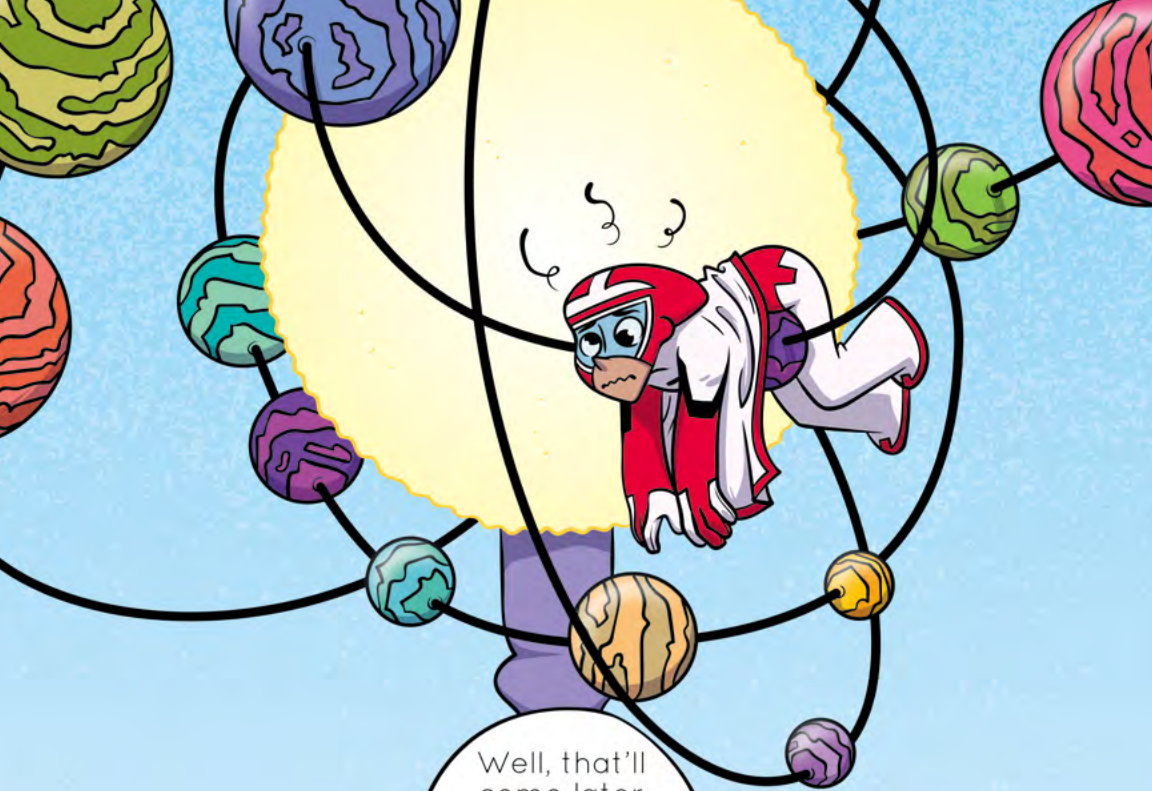

I spin  
on my axis  
so **fast**  
that I can ...

...drive  
straight  
into the  
ground.

Or fly  
skyhigh!

Well, that'll come later for sure, but for now, Mila can at least screw in a lightbulb!

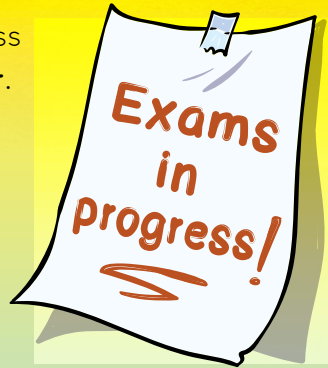

**SUPERHEROES ARE NOT  
IMMORTAL.**

**THEY AGE AND MUST RETIRE,  
AND IT'S AT THE SUPERHERO  
ACADEMY THAT THE  
NEXT GENERATIONS  
ARE TRAINED.**

Today is exam day in the class  
of Noah, a future **SuperMusclar**.

This is also the time chosen  
by **SuperVillain** to attack the school.

Will superstudents get by without  
the help of their superteachers?
