Richard Vallerand AUTHOR, ILLUSTRATOR

An animation college graduate, Richard Vallerand has been active in 2D and short film animation for the past twenty years. Before devoting himself to his art full-time, he worked in graphic design and development for entertainment giants such as Warner Brothers and Disney. When the opportunity to start his own practice came along, thanks in part to Dijef, he leapt and cofounded La shop à bulle workshop, a creative space dedicated to comic strips. **The LabRats** (*Les Laborats*) compiles comic strips published in the popular science magazine for teens, *Curium*.

Patrick Bizier AUTHOR, ILLUSTRATOR

I don't like straight lines. I prefer when they break. I like them organic and lively. I want to see them curve and mesh together, creating something altogether new. I want them to transport me somewhere else. I love the accidents that happen along the way.

After earning a BFA from the Université du Québec à Montréal, Patrick Bizier moved to Grenoble in 1985 to specialize in etching. He then turned his attention to graphic design and illustration.

Alongside his commercial work, he has also had his work featured in exhibitions, books, and magazines. A comic book lover since forever, he published his first comic book **The Admiral and the Meathead** (*L'Amiral et l'Andouille*) through Éditions Michel Quintin.

Freg AUTHOR, ILLUSTRATOR

A native of Quebec City, Freg majored in graphic design before becoming a full-time author and illustrator. Drawn to several art disciplines at once – including improvisation, photography, drawing, and humour – he combined his many interests in his first comic book, published by Éditions Petit Homme in 2013. Since then, he has travelled across Quebec leading activities and educational workshops in schools. Today, his portfolio includes several series: *The Smikey Gang* (*La Bande à Smikey*), *Leo P.*, *Private Detective* (*Léo P., détective privé*), **Doctor Rip** (*Docteur RIP*), and **MultiMax**.

Velm AUTHOR, ILLUSTRATOR

Valerie is my name. I like comics (creating and reading them), drawing, drinking (sometimes coffee, sometimes beer), movies, and animals. That's about it!

A native of Laval, Velm joined the Old Montreal comic arts program in 2012. In 2014, she started working on comic strips and in 2015, her webcomic *La première* was a finalist in the renowned Angoulême Festival's *Révélation Blog* competition. Today, she continues to make her way in the Quebec comic art scene.

Tristan Demers AUTHOR, ILLUSTRATOR

Over the years, Tristan Demers has attended 300 book fairs around the world and hosted kids' TV shows (*Dessinatruc*, *Transformatruc*, *BAM*) for major networks, including Canadian public television and Yoopa.

Sacha Lefebvre, ILLUSTRATOR

A full-time illustrator since 2010, Sacha Lefebvre majored in design and illustration at Dawson College. Greatly inspired by American comic books, his love for superheroes and action fill the pages of his work. Illustrator of the series **U-MERLIN**.

Jipi Perreault AUTHOR, ILLUSTRATOR

Born in Abitibi, Jipi Perreault studied the art of comic books at the Université du Québec en Outaouais. Due to a visual handicap, he had to develop a special technique that has become his signature style. Since 2012, when he self-published his first series *Fearless Man*, his work has mainly focused on superhero universes. In 2014, his character Rose du ciel (Sky's Rose) was introduced in *Le Front #7*, a collective published by *Front Froid Publishing*. He has since collaborated on multiple occasions with the comic book magazine *Planches*. Author and illustrator of **Sky's Rose** (*La Rose du ciel*).
